

Thank you for considering us as a recipient of sponsorship.

We are a not for profit community interest group and all our assets are locked for the community, so you can be assured that any sponsorship from you will be used entirely to run the project and enable families to access our services.

We support families when life is tough for whatever reason.

We have a trained staff team and some superb volunteers who look after the horses and provide the services for the families. All our directors undertake their duties on a voluntary basis.

We make sure we work to all legal requirements and to best practice. We have all necessary training and insurances.

Thinking of becoming a sponsor?

How to sponsor us

There are a number of ways you can help us

- By a donation of money which we can use to help the project run. Either to help with day to day costs such as horse feed or foot care or towards the things we are working towards on our wish list, for example we are currently working to refurbish our barn where we hold winter sessions
- Sponsor a session (£60) or series for a family (£360)
- With goods or products that we can use, for example equipment for the families to use or fly spray for the ponies.
- Help with events for example providing refreshments for our open day
- Anything else you can think of

We are always looking for creative ways to fund the project and make it accessible for everyone. We are very grateful for any help or ideas you can offer.

M&S bought us equipment and sent us a team of volunteers to make a dream reality

In return for your kind sponsorship we can:

- Include you on our sponsors section on our website
- We regularly have spotlights about our sponsors and shout outs on our Facebook/ Twitter/ Instagram page and will be delighted to feature you.
- Put your logo and details on our wall at the yard
- Talk to all our friends, acquaintances and contacts telling them about your generosity
- We love to build a relationship with our sponsors and have been able to provide a team day for one organisation.
