Information for visitors

WELCOME To Equine Partners CIC

Things you need to know.

We are delighted that you are going to come and spend some time with the horses. We hope that the information here will help to make your visits really positive and that you will have fun.

This is an outdoor activity so dress warmly in things you don't mind getting hairy or muddy.

Remember that horses have big feet so make sure that you wear proper shoes, trainers or Wellies.

(You will not be able to be near the horses if you have open toed shoes)

We have toilet facilities on site and a nice dry barn so sessions will go ahead whatever the weather.

Most importantly we always do things at your speed. If you are nervous we will slow things down or change the game.

We are looking forward to seeing you.

YOUR TIME WITH US

Fran, Jo Clare or Emma will help you to enjoy the horses company, play some games and do some thinking.

There is no riding in these sessions.

We will happily make you a hot drink if you would like one.

It would be helpful if you can think beforehand about what will tell you the session has been useful.

"There is something about the outside of a horse that is good for the inside of a man"
- Winston Churchill
